F-1 Practical Training

Employment Workshop for
MIT International Students in F-1 visa status
What Is Employment?

Any activity for which an individual provides a service for which someone doing similar or same work receives a benefit in return (or would normally receive some benefit in return)

- Based on U.S. Department of Homeland Security and U.S. Department of Labor regulations/guidance
- Individual does not have to be designated as an “employee” to require employment authorization under student visa status

3 Questions:
- Where are you doing the activity?
- Who is the employer/supervisor?
- Who is the source of funding?
*If any of above are US-source, then U.S. employment authorization required
What is Employment?

- Paid or Non-Paid
- On- or Off-campus
- No specific reference to publications/presentations, so default is to utilize broad definition of “employment”
- Employment requires authorization **BEFORE** the activity begins
Can I Volunteer?

- “Volunteering” is defined as [DOL 553.103; Fair Labor Standards Act]
  - Any service for a public agency for civic, charitable, or humanitarian reasons, such as:
    - Church, Synagogue, Mosque, Temple or similar religious entity
    - Soup kitchen, homeless shelter, registered in an established volunteer program at a hospital, etc.
    - Community service activity through an MIT student club/organization

- Volunteering is not:
  - Unpaid internship, Refusing payment for work done, etc.

- If activity qualifies as “volunteering”, get a letter from host organization (dates, location, confirm no compensation/benefit)

Employment with MIT Faculty’s Private/Consulting Company

- On-Campus Employment is activity on the MIT campus, paid by MIT or by a contractually affiliated student service provider (e.g. dining services)
  - Receiving an MIT paycheck

- If the activity/internship/employment is with an MIT Faculty Member’s consulting company, even if the activity/research is done on the MIT campus, if the consulting company is the “employer” and providing the benefits (pay, stipend, other) to the student, this employment is considered OFF-CAMPUS Employment and will require either F-1 CPT, F-1 OPT, or J-1 Academic Training employment authorization from USDHS
Quick History of Practical Training

- Initially, there was just one type of Practical Training (no division of CPT and OPT)
- Some academic programs started mandating off-campus placements as part of the degree program (e.g. Nursing)
- Colleges/Universities advocated for additional Practical Training to accommodate these mandatory requirements (CPT was born)
- Regulatory language enabled CPT to be used for mandatory or elective experiences that were part of the academic program and for credit
- U.S. Department of Homeland Security is looking to tighten CPT and OPT regulations due to cases of fraud
  - DHS guidance issued on F, J, M visa employment – August 2015
  - Current Homeland Security Investigation audits

OPTIONAL PRACTICAL TRAINING – “OPT”

http://iso.mit.edu/immigration/emp_f1_opt.shtml
What is OPT?

- Optional work authorization
  - before graduation = pre-completion OPT
  - after graduation = post-completion OPT
- Employment must be **directly related** to major field of study on I-20
- Employment offer is not required
- Maximum of 12 months of OPT
  - Per degree level in one’s lifetime
    - e.g. 12 months at Master’s level total – cannot get 12 months of OPT for two different Master’s degrees
    - May split the 12 months between two degrees at same level
  - Available when requested OPT is at a degree level **higher than previous degree** for which OPT was granted
- Any unused portion of OPT from a previous degree level cannot roll over to another OPT period
Pre-OPT and Post-OPT

☐ May take 3-5 months to be approved by government (plan ahead!)

☐ Part-time = 20 hrs or less / week; Pre-completion OPT only

☐ Full-time = over 20 hrs / week; Pre- or Post-completion OPT
  - During Annual Vacation Period (Summer or IAP)
  - ALL course requirements with the exception of approved thesis

☐ Pre-OPT deducts from the 12 months OPT total; if you request part-time pre-OPT, deducted at half the rate
  - Example: 2 months of part-time pre-OPT will deduct 1 month from 12 months total
OPT Eligibility

- Must be **enrolled full-time** in a degree program
- Must complete at least **one full academic year** (two full semesters)
- Moving to another educational level/new degree program (at MIT or another institution) automatically terminates any approved OPT
- Transferring to another school to begin a new degree program automatically terminates any approved OPT
- Authorization for 12 months of full-time Curricular Practical Training (CPT) eliminates eligibility for OPT
  - part-time CPT, defined as 20 hours per week or less, does not affect OPT eligibility)

Important Reminders about OPT

- You may **NOT begin any employment activity** until 1) OPT (I-765) application approved, 2) your EAD card is received, and 3) your EAD start date is effective.

- **An EAD card is required to:**
  - Begin employment
    - Beginning employment before you have the EAD card is a serious violation of your visa status, and a violation by your employer of U.S. Department of Labor regulations
  - Complete the Form I-9 Employment Eligibility Verification Form required by your employer when you begin work
  - Work at any location (including MIT) after the Form I-20 program completion date.
    - All MIT employment (e.g. RA, TA, or post-doc) is considered “off-campus” work after program completion
Program not completed as planned?

- **Stop** any on-campus work (e.g. RA or TA) past the program completion date on your Form I-20
- **Contact your ISO Advisor** immediately
- **Wait for EAD card** before resuming your RA, TA, or any other on-campus work
  - No “volunteering” while you wait!
- **If your program is not completed**, may only resume work (up to 20 hours per week) when you receive EAD and start date is effective
Qualified Employment

- For full-time, **minimum of 20 hours** per week is required; can have multiple employers
- **Directly related to major field of study**
- Paid employment that is for multiple employers, short-term multiple employers, contracting work (evidence of duration of contract, name of company and address needed), self-employed business owner (proper business license and evidence of active engagement in business needed), or employment through an agency or consulting firm
- Unpaid employment or internship in your field of study that does not violate labor laws and is at least 20 hours per week.
Travel Before vs. After Program End

- **Before Completion** of Program/ I-20 End Date
  - Travel allowed with valid documents (See [ISO travel webpage](https://iso.mit.edu/travel) for details)
  - Re-enter the US several days before I-20 end date
  - Post-OPT Application must be received by USCIS before you leave the US.

- **After Completion** of Program /I-20 End Date
  - Do NOT travel until your OPT is approved and your EAD card is received
  - Never enter in tourist or another status; this will cancel out your F-1 status and OPT!
When Travelling after Program Completion, Carry…

- EAD card

- I-20 with travel signature from ISO advisor on page 2 (not older than 6 months prior to planned date of return to US)

What Does Student Have Report After OPT Approval?
