

The International Students Office
Massachusetts Institute of Technology

July 19, 2023

To Whom It May Concern:

The following is a summary of the basic fees including the estimated living expense and required Medical Insurance for International Visiting Students enrolled in **September 2023 – August 2024**.

In order for the ISO to issue a Certificate of Eligibility for Exchange Visitor Status (Form DS-2019), the student must demonstrate financial support to meet or exceed the following minimum funding requirements for the full period of the student's academic appointment.

Please note the total minimum funding requirement varies by duration of the appointment.

Visiting Student Fees Per Month:

Monthly Fee: \$625

Includes:

- Registration
- MIT Student Health Insurance Plan Enrollment
- Student Life Fees

Estimated Monthly Expense:

	Single Student	Married Student
<u>Average Living Expense Per Month</u>	\$ 3,333	\$ 4,183
<u>Student Health Plan Insurance Per Month*</u>	Included in VS Fees	\$ 408
<u>Visiting Student Fee Per Month</u>	\$ 625	\$ 625
<u>Total Expenses per month:</u>	\$ 3,958*	\$ 5,216*

* Figures are subject to change without notice

**Additional expense for family with children is estimated \$500/m for the 1st child and \$292/month for each additional child. For students who have child dependents only, the additional expense per month is estimated at \$1,156 for the first child (for living expenses and medical insurance) and \$292 for each additional child.

If more information is needed, please feel free to contact the ISO (iso-help@mit.edu).

Sincerely,
ISO Staff
International Students Office
